

Southern Comfort Mississippi Paddle Boat Trip

Join us on Saturday 4th September 2010 for two hours cruising on the luxurious Southern Comfort - a double-deck paddle boat purpose built for the Broads with a capacity of 100 passengers.

We will travel up the narrow channel from the River Bure, passing lovely old thatched houses and windmills, and into the wide expanse of the beautiful reed fringed Ranworth Broad, with its ancient church tower peeping over the trees. Here, the boat will carry out a wide sweep of the broad, ready to retrace the route back to Horning.

Throughout the outward voyage, you can enjoy the commentary of the skipper, who has local knowledge second to none as well as a keen eye

for spotting and pointing out the wildlife you might otherwise have missed. For better views why not sit on the upper deck and admire the ever changing scenery of thatched cottages and boat houses, reed beds and the famous Horning Ferry Wind Pump. Alternatively, if the wind is slightly chill, you can be snug down in the lower deck and watch the view glide past through the lounge windows. Toilets and full bar facilities are available, plus hot drinks and snacks. Website: <http://www.southern-comfort.co.uk/>

The cost is £6 per person; children with diabetes are free.

Directions: take the A1151 Wroxham Road out of Norwich to Hoveton then the A1062 to Horning. Follow the brown tourist signs to the boat. Ample parking is available.
